SEVERAL ARE INDICTED.

A Number of Citizens Accused of Land Fraud.

Of the seven indictments returned yesterday, six have been made public, the one and part of the defendants in some of the six being still kept secret because of the fact that the parties have not been arrested. B. H. Tallmadge was indicted in several counts for "conspiracy to defraud the government

by unlawfully obtaining possession of public lands," and for perjury. C. G. Young was indicted on the charge of conspiring to defraud the government, as also were Walter Haynes, John F. McGrew and James W. Overstreet. All pleaded not guilty and gave bond for their appearance. Tallmadge's bond was fixed at \$5,000, Young's was \$3,000 and the other three each \$1,000. The cases will probably come up at the next term of court in April.—Roswell Record.

TEXAS FARMERS

Located in the Panhandle Country constitute a vast proportion of those who are out of debt, possess an abundance of all that is necessary to comfort and easy hours, and

Own Bank Accounts.

Those who are not so fortunate should profit by past experiences and recognize that these conditions are possible in

The Panhandle.

As nowhere else for the reason that no other section no offers

Really High-Class Lands at Low Prices

and that the Agricultural and Stock-farming possibilities of this section are the equal of, and in some respects better than three to five times higher priced property located elsewhere.

In a word: Many magnificent opportunities are still open here to those possessing but little money, but prompt investigation and quick action are advisable, as speculators have investigated and are fast purchasing with a knowledge of quickly developing opportunities to sell to others at greatly increased prices.
